

February 15, 1984

LB 807A, 1056, 1056A

factor in there or not, but in case it is relevant, I bring to your attention the fact that the Pages are passing out fudge in celebration of the birthday. Okay, with that I think we are ready to move onto consent calendar, are we not, Mr. Clerk?

CLERK: If I may read a couple of brief items, Senator, I would appreciate it.

SENATOR BEUTLER: Yes, sir.

CLERK: Mr. President, I have a new A bill, LB 807A by Senator DeCamp. (Read for the first time by title. See pages 961-962 of the Legislative Journal.) Mr. President, a second new A bill, LB 1056A by Senator Howard Peterson. (Read for the first time by title. See page 962 of the Legislative Journal.)

Mr. President, I have notice of hearing from the Miscellaneous Subjects Committee for February 16. That is signed by Senator Hefner as Chair. I guess it is a cancellation of hearing.

SENATOR BEUTLER: Okay, we are going to move on to consent calendar. If I could have your attention just for one minute, why don't you grab your green sheets and I will tell you what is off. Looking down the list about 7 down, LB 933 is off. Looking a couple more down, LB 915 has been pulled. Switching over to the back side of the sheet about 4 down from the top, LR 18CA has been pulled. Going on down your sheet 10 or 12 items, LB 711 has been pulled and finally the last bill on the back side of your consent calendar, LB 1085 has been pulled, scratched I guess is the word. Okay, Mr. Clerk, are we ready for LB 1056?

CLERK: Yes, sir. Mr. President, LB 1056 (Read title). The bill was read on January 17th, was referred to the Appropriations Committee. The bill was advanced to General File. I have no amendments to the bill, Mr. President.

SENATOR BEUTLER: Who is handling that bill? Senator Warner...Senator Peterson.
